Date: Saturday, March 14, 2020, 04:17 PM EDT

Greetings St. Mark's Members and Friends,

We are in unprecedented times. Our community, our nation, and our world are being impacted by COVID-19. As we learn more about the virus, your church leadership team remains vigilant in our commitment to serve and care for you. Your health and safety are our top priorities.

As noted in previous emails and at Bishop Leeland's recommendation, we will not have a worship service on site on Sunday March 15 or March 22. We will broadcast online worship services. Visit [St. Mark's UMC Virtual Church Information Page](#) (Click [here](#) for connection to Streaming Service) <https://www.saintmarks.church/>.

While we are away, we still need to meet our financial obligations. Duke Energy, AT&T, your Pastor's salary, etc. will still be paid even if we are not utilizing the space. As a church, we need to take in \$9,182 per week to keep the church in good running order. It is imperative that we continue to pay our tithes & offerings during this time. We want to ensure we do not get behind in paying the bills. You can continue your giving online through Breeze. You can find the payment link here [St. Mark's UMC Virtual Church Information Page](#). You can also mail your checks to 917 Clanton Rd. Charlotte, NC 28217 or drop off your tithes & offerings at the church by placing it in the locked church mailbox located outside of the double doors closest to Pastor's office.

We understand that some of you will have less financial resources during this difficult time and that this could result in reductions in what you are capable of giving. For those that can we appreciate your continued generous offerings. Thank you for your attention and commitment to this matter.

Yours in Christ,

Ashley Jeffers
St. Mark's UMC Church Treasurer
